

BS200B INSTRUCTION MANUAL

Thank you for purchasing HERCULES Stackable Orchestra Stand! The stand is specially designed for schools, private teaching classes and orchestra bands. The unique and strengthened leg design saves the storage space when stacking. Please follow the instruction from BASE to DESK for easy and quick set up.

Step 1

BASE

1. Use the Hex Wrench to remove bolt with washer from the lower tube. ①
2. Match the mark on tripod base over the tube and secure the bolt with washer firmly by using the Hex Wrench.

Step 2

DESK

1. Remove bolt and nut from the upper tube. ②
2. Attach the desk on backside and use Wrench and Hex Wrench to tighten the desk with a rotating motion. Please make sure the EZ grip is facing the same side with desk.
